Semi-mobile concrete batching plant Mini VIKING

Your partner in concrete solutions

Small, practical and thought-out solution with high profitability

Mini VIKING is the ideal solution for small and medium-sized construction projects: easy to transport, quick to install - and easy to operate.

The flexible and reliable plant can with just two types of aggregates mix several different types of concrete. Dosing equipment and control unit with batching computer ensures the optimal concrete quality.

Throughout the design phase of the Mini VIKING there is given thoughts to materials, wear resistance and durability. The result is a robust and solid batching plant with a long service life and low service costs.

All surfaces on the plant are easy to clean with the high-pressure cleaner - and there is free access to maintain and service.

Park the plant on the site - and start the mixer. With a minimum of preparation and supply of sand, gravel and cement: you are ready for your concrete production.

As a part of the concept, we offer you a thorough training in how to operate and maintenance the plant at our factory in Denmark. This will give you the opportunity to become familiar with all functions.

Technical specifications

Agitator pan mixer

Volume (gross/nett)	500 litres
	300 litres
Capacity	4 – 5 M ³ /hour
Motor	7.5 kW
Mixing arms	4 pieces
Side scrapers	1 piece
Load cells	3 x 1,000 kg
Weighing accuracy	+/- 1 %
Steel (Hardox)	5 + 8 MM

Aggregates

Hoppers	2 x 1.1 M ³
Water tank	200 litres

Control system

Batching computer	
Dosing accuracy	+/- 1-2 %
Recipes	20 pieces
Language version	As requested

Power

3 x 400 Volt/32A

Equipment

High-pressure cleaner

Dimensions

Width	2.15 M
Height	2.08 M
Length	5.20 M
Total weight	2,150 kg

Options

- Additive pump 1
- Additive pump 2
- GPS (to prevent theft)
- Tarpaulin cover for hoppers
- Enlarged loading sides for hopper
- Water heater
- Printer for printing of recipes
- USB to store recipes
- Service contract
- Trailer - 3500 kg
 - Sides
 - Tarpaulin cover
- Belt conveyors
- Big bag silos
